EDUCATION

PES University, Bengaluru

Bachelor of Technology in Computer Science

2022 – 2026

- CGPA: 7.64 (Until 5th Semester)

EXPERIENCE

Vocational Trainee

June 2024 – July 2024

GAIL (India) Limited

Noida, UP

- Gained hands-on experience in SAP-ABAP development, including creating ALV reports, database tables, and module pool programs.
- Designed and implemented custom SAP screens using tools such as SE80, SE11, and SE38.
- Explored integration of data from SAP to non-SAP applications, enhancing interoperability.
- Acquired knowledge of SQL commands and SAP dictionary for efficient data management.

PROJECTS

Event Management System — *HTML, CSS, MongoDB, JavaScript*

August 2023 – December 2023

- Developed a responsive web app for event planning and management.
- Implemented user authentication and role-based access control.
- Integrated MongoDB for event data storage and real-time updates.
- Enhanced UI with dynamic event creation and booking features.

Crime Management System — *MySQL, Streamlit, Python*

August 2024 – December 2024

- Designed a database schema to manage crime data, including cases, criminals, and evidence.
- Built a Streamlit-based interface for CRUD operations and efficient data retrieval.
- Secured records with role-based access control and optimized database queries.
- Delivered statistical reports and predictive analytics for crime trends.

TECHNICAL SKILLS

Languages: Python, C/C++, SQL, JavaScript, HTML/CSS

Libraries: Pandas, NumPy, Matplotlib, Pytorch, TensorFlow

Frameworks: React, Node.js

Concepts: Data Structures and Algorithms, Database Management System

EXTRACURRICULAR & LEADERSHIP

Event Management: PES EC's Annual Techno-Cultural Fest, Maaya, is a flagship event featuring technical, cultural, and sporting competitions.

- Managed logistics for Maaya 2024, ensuring smooth coordination of event operations.
- Volunteered initially as part of the Sponsorship Team for Maaya 2023, assisting in securing event partnerships.

Sports Achievements:

- **Badminton:** Winner - Mixed Doubles (Maaya 2023), Women's Doubles (Maaya 2024), and Inter-Department Mixed Doubles (2024).
- **Table Tennis:** Winner - Women's Singles (Inter-Department 2025), Runner-Up - Women's Singles (Maaya 2023).

Entrepreneurship: Completed a foundational course at the Center for Innovation and Entrepreneurship, focusing on professional skills development, innovation strategies, and cultivating an entrepreneurial mindset.
